

## Independent Sales Representative

### Nordic Steel Gutters

Use your passion for gutters, roofing and building materials to create your own success by becoming an Independent Sales Representative with Nordic Steel Gutters. A tremendous opportunity for you to generate significant income.

Within your own exclusive and assigned territory, you will establish relationships, and sell to businesses and individuals – roofing companies, custom home builders, contractors, distributors, architects and more. Geographical focus is on VA, NC, SC, TN, KY, IA, OH, PA, MD, NJ and NY.

### **Are You Built for a Role with Nordic Steel Gutters?**

Get a sense of where you stand with Nordic Steel Gutters best by answering the following questions:

- Do you have experience in gutters, roofing or building materials?
- Do you have sales experience in these fields?
- Does smart, aesthetical solutions and quality matter to you?
- Do you already have strong professional relationships in your community?
- Are you outgoing with strong verbal skills?
- Are you an organized self-starter, hungry for success?
- Are you willing to go above and beyond expectations for a customer?

Independent Sales Representatives truly create their own opportunities by providing quality in everything they do. **Nordic Steel Gutters** provides the highest quality gutter system with ingenious solutions at a very affordable market price. How well you fulfill the expectations and responsibilities will determine how quickly your business will grow:

- Spread awareness and reach out to prospective customers to educate on, and sell, Nordic Steel Gutters uniquely superior gutter system
- Be available and attentive to your buyer throughout the sales process
- Collaborate and communicate effectively with Nordic Steel Gutters staff
- Set sales goals to ensure your and our future success

### **We're Invested in Your Success**

At Nordic Steel Gutters, you will be working for yourself – but not by yourself. Which means, you'll have access to support, training, sales material and resources you need to ensure your and our success:

- A 1-week onboarding program, providing you the support you need to hit the ground running
- The support of managers who are committed to your growth with Nordic Steel Gutters

- Nordic Steel Gutter's accounting and collections relieves you from the hassle of chasing checks and payments
- Marketing and tools will help ensure your sales are receiving the best exposure

### **Additional Nordic Steel Gutters Advantages**

Additional exclusive benefits you'll receive as an independent sales representative include:

- Unlimited income potential, with our 100% commission structure
- No overhead to get started
- Continuing in-house education

### **What do you need to get started?**

- Laptop (or Desktop Computer)
- Transportation
- Smartphone

### **About Nordic Steel Gutters**

Nordic Steel Gutters began as an idea overseas 70 years ago on the principles of providing smarter and better solutions for the roofers and gutter installers. Now in our 2nd year in the USA, Nordic Steel Gutters continues with the huge success in that commitment, with the most transparent business approach available. We are continually focused on helping the construction community with better and long-term actual working solutions. *Through this sectional half round gutter system, we are offering the strongest, prettiest and easiest installed gutter system in the world. Totally caulk free with a perfect fit every time, through well engineered Eco-friendly products.*
